

## Crown

Diplo

I can't wait to try on the crown  
I know my ma is gonna be real proud  
I told my crew I'm bout to shut shit down  
We do it big when I get back in town

Hey ho, hey ho I'mma be the king soon  
Hey ho, hey ho I can't wait to be king

Shut shit down I can't wait to be king

Don't worry 'bout them angry faces  
They just hatin  
I keep enough blue jewels to cool off the nation
