Ride across the river

Dire Straits

I'm a soldier of freedom in the army of man We are the chosen, we're the partisan The cause it is noble and the cause it is just We are ready to pay with our lives if we must

Gonna ride across the river deep and wide Ride across the river to the other side

I'm a soldier of fortune, I'm a dog of war And we don't give a damn who the killing is for It's the same old story with a different name Death or glory, it's the killing game

Gonna ride across the river deep and wide Ride across the river to the other side

Nothing gonna stop them as the day follows the night Right becomes wrong, the left becomes the right And they sing as they march with their flags unfurled Today in the mountains, tomorrow the world

Gonna ride across the river deep and wide Ride across the river to the other side
