## Six Blade Knife

**Dire Straits** 

Your six blade knife can do anything for you Anything you want it to One blade for breaking my heart One blade for tearing me apart Your six blade knife-do anything for you

You can take away my mind like you take away the top of a tin When you come up from behind and lay it down cold on my skin Took a stone from my soul when I was lame Just so you could make me tame You take away my mind like you take away the top of a tin

I'd like to be free of it now - I don't want it no more I'd like to be free of it now - you know I don't want it no mor e

Everybody got a knife it can be just what they want it to be A needle a wife or something that you just can't see

You know it keeps you strong Yes and it'll do me wrong Your six blade knife - do anything for you
