You and Your Friend

Dire Straits

Will you and your friend come around Are you and your friend gonna get on down Will you and your friend come around Or are you and your friend gonna let me down

If you talk to one another I'm a hungry man Let me know one way or the other So I can make my plans

Will you and your friend come around Or are you and your friend gonna get on down Will you and your friend come around Or are you and your friend gonna get on down

I relive the situation Still see in in my mind You got my imagination Working overtime
