

Love Is Strange

Dirty Dancing

Love, love is strange
A lot of people take it for a game
Once you've get it you never wanna quit
After you've had it you're in a awful fix
Many people, don't understand
They think lovin' is money in their hand
Your sweet lovin' is better than a kiss
When you leave me sweet kisses I will miss

Sylvia
Yes Mickey
How do you call you're loverboy
Come here loverboy
And if he doesn't answer
Oh loverboy
And if he still doesn't answer
I simply say
Baby, oh baby, my sweet baby, you're the one
Baby, oh baby, my sweet baby, you're the one
