

## Love Is Strange

## Dirty Dancing

Love, love is strange  
A lot of people take it for a game  
Once you've get it you never wanna quit  
After you've had it you're in a awful fix  
Many people, don't understand  
They think lovin' is money in their hand  
Your sweet lovin' is better than a kiss  
When you leave me sweet kisses I will miss

Sylvia  
Yes Mickey  
How do you call you're loverboy  
Come here loverboy  
And if he doesn't answer  
Oh loverboy  
And if he still doesn't answer  
I simply say  
Baby, oh baby, my sweet baby, you're the one  
Baby, oh baby, my sweet baby, you're the one
