## **My Offwhite Flag**

## **Dirty Projectors**

I copped a feel Of the wall Trying to find the light switch in the dark Then I got into bed and fell back asleep, quickly Its been awhile since I played the game I've been retired since Saturday From the first base line I watched the blondes So perfectly flirting And I held my off-white flag between my knees Limply Its been awhile since I played the game I've been retired since Saturday I am a child And I'm not ready Its been awhile since I played the game

I've been retired since Saturday I am a child And I'm not ready
