

Little White Doves

Dirty Vegas

I remember what it's like
To be a victim almost every night
And no one knows, or really cares
What you're drinking, or the clothes he wear

Hello, hello
To the pirate stations
Hello, hello
To the ivy nations
Hello, hello
To all the generation

Yeah,
We come like little white doves, little white doves
Little white doves, little white doves, baby
Little white doves, little white doves, yeah

Terrace boys with the jets and crowd
Paint the news while we paint the town
Coming up or getting down
Lose yourself to the future town

Hello, hello
To the smiling faces
Hello, hello
To the ivy nations
Hello, hello
To all the generation

Yeah,
We come like little white doves, little white doves
Little white doves, little white doves, baby
Little white doves, little white doves, yeah
Yeah,
We come like little white doves, little white doves
Little white doves, little white doves, baby
Little white doves, little white doves, yeah
Yeah we come like

If you lose yourself in weekend
Land of Oz on Mondays
Come for a circle Sunday

We come like little white doves, little white doves
Little white doves, little white doves, baby
Little white doves, little white doves, yeah
We come like
