

# Walk Into The Sun

Dirty Vegas

Lately I've been feelin' different  
Like I've come from outer space  
And I notice something missin'  
When it's you I can't replace

And I've been drowning out the silence  
From the words that we once said  
And I know I could make a difference  
If I could get inside your head

And as I walk into the sun  
And as I stare across this ocean  
And as I start a brand new day  
But I felt we'd be the same, again

Up ahead there in the distance  
Shadows coming through the haze  
You're the only one that listens  
To help me break loose from these chains

And as I walk into the sun  
And as I stare across this ocean  
And as I start a brand new day  
But I felt we'd be the same, again  
The same again

Ahh-ah-ah-ah-ah-ahh

And as I walk into the sun  
And as I stare across this ocean  
And as I start a brand new day  
But I felt we'd be the same, again

...
