have you heard of me before? oh, i know you: my mentor! death is talking to you! i realize, what's going on, this is true!

since the day i was born i didn't grow up like them all my life shrinks more and more to get away from this horror

DEATH WILL SCORE DEATH WILL..
DEATH WILL SCORE

now you see that i am real my whole life i could feel time has come for me to score my last wish is: to be reborn!

do you know there's no fear to die with pride, no more tears i'll be born again free as an angel, not yours, it's me...

DEATH WILL SCORE

since the day i was born i didn't grow up like them all my life shrinks more and more to get away from this horror DEATH WILL SCORE
