

## Recession

## Disbelief

Inhuman  
This hate  
This world  
No chance

Brainwork  
No heart  
Innate  
Forlorn

No God - no God

Helpless  
Mankind  
Painful  
Result

Shattered  
Ideals  
We get  
So unreal

Now - recession

Senseless  
Killing  
Provoke  
Our fate

Revenge  
Will come  
Nature  
The judge

Now recession - now, now, now  
Recession
