Disbelief

You search me - behind of me
Help me - oh, my misery!

Searching son - always on the run
Can't escape - life begins to late

Selected - selected

Trace me - catch me
Kill me - oh, set me free!

Drifting son - believe and ever run
Hiding himself - in a world of emptiness

Exhaust me - love me
Hate me - for my eternity

Now I'm gone - this battle I've won
No more sorrow days - cause you've lost my way

Selected - selected

Searching son - always on the run

Can't escape - this is my fate
Selected - selected

Don't, don't, don't
Don't, don't, don't
Don't do it no more forever
Don't do it, don't do it no more forever!

Selected - selected, forever...

Searching son - always on the run
Can't escape - why have you crossed my way?

Why've you? Why've you? Why've you?
Why have you crossed my way?
Why have you crossed my way?

Don't, don't, don't
Don't, don't, don't
Don't, don't, don't
Don't, don't, don't

Don't do it no more forever!
