

## Fight Back

## Discharge

Bristol's riots was a result of people's anger  
Towards the system

Fight the system fight back  
Fight the system fight back

People die in police custody  
Where's the justice in that, don't see none

Fight the system fight back  
Fight the system fight back

We've been shit on far too long  
There are no equalities, no freedom

Fight the system fight back  
Fight the system fight back

Stand up fight for freedom  
Stand up fight for your rights

Fight the system fight back  
Fight the system fight back  
Fight the system fight back
