

Fill My Shoes

Disciple

Hey won't you come to try and fill my shoes
They don't walk so well
Hey can you take the death inside my heart
It don't beat so well

And I wait for you
Come and save me from the place
Help me change

I lift my eyes to the heavens
'cause I've been looking down for so long

Hey I see you and I wonder do you see me
Feel's so far away
Hey can you take me under shelter
And love me Is that too much to ask

And I've searched for you
And I've tried to put you first
But I failed Lord help me change

I believe, help my unbelief
