

Laughter, that's so part of her  
Is something that we haven't heard  
In such a long, long time  
Replaced with crying, long sleepless nights  
She needs Your power Lord (Psalm 145:11)  
Pour it all over (Joel 2:28-29)  
In her darkest hour Lord (Psalm 18:4-6)  
Pour it all over

'Cause I know You love her more than I could love her (Ephesian  
s 3:18-19)  
You've already given more than I could offer  
(1 John 5:11)  
So I put my hope in You, (Psalm 39:7)  
'Cause I know You can save her (John 3:17)  
Jesus, Savior (Matthew 1:21)

The problem hidden inside  
Is screaming something's not right  
And I would lay down my world  
To reach out and fix what's broken in her

Deep within every stripe is the hope that I find within You (Is  
aiah 53:4-5 / 1 Peter 2:24)
