

## Turmoil

Disciple

They wrap me up for comfort  
when behind my back they stab  
little old man creeping up again  
I'd like to smack him up side his head (Romans 6:6)

I don't need you I don't care what you say takes me nowhere

Pony wants to ride, supposed to ride him  
eating from the cat bowl on the outside  
looking in intoxicating fragrance  
filling up my nose where it stops nobody knows

I beat my chest I beat my chest (Luke 18:13)

Words come out so easily  
but I can't even show it (Matthew 21:28-31)  
is a sin really sin when I don't even know it? (Luke 12:48)

Free set my heart free (Romans 8:2)  
break, break the chain that's over me (Galatians 5:1)

Why do I do the things I don't want to (Romans 7:15)  
who will save me from this death (Romans 7:24)  
thanks be to God it's Jesus (Romans 7:25)
