

# Help Me Lose My Mind

## Disclosure

Talk to me and watch me crumble  
You will see you got mine down

Faithfully I will look over  
There I'll find what you've become

(What you've become)

(Chorus)  
You help me lose my mind  
And you believe something I can't define  
Help me lose my mind, make me run back  
What if all before  
Keep, I need more time,  
How much longer?  
Oh I've been waiting for

Jealousy will be washed over  
Carefully we look on through

Could it be easy to start over?  
Sound how I will bring you too

(What you've become)

(Chorus)  
You help me lose my mind  
And you believe something I can't define  
Help me lose my mind, make me run back  
What if all before  
Keep, I need more time,  
How much longer?  
Oh I've been waiting for

(Bridge)  
I've been waiting waiting waiting  
I've been waiting waiting waiting  
I've been waiting waiting waiting  
I've been waiting waiting waiting  
I've been waiting waiting waiting  
I've been waiting waiting waiting

(Chorus)  
You help me lose my mind  
And you believe something I can't define  
Help me lose my mind, make me run back  
What if all before  
Keep, I need more time,  
How much longer?  
Oh I've been waiting for
