

# We Can Stop Whenever We Want

Disco Ensemble

Cartwheels on a pirate plank walk  
A career in death-defiance  
How can you tell us that we're paranoid  
'Cause just the fact that we're paranoid  
Makes us not believe a single word you say

Don't go down with the setting sun  
Get back up again  
We're going to get it done  
And how could anybody understand  
That the fate we have is in our hands  
Don't go down with the setting sun

No chance of snapping out of it  
Excessively out of fit  
How can you tell us that we're paranoid  
'Cause just the fact that we're paranoid  
Makes us not believe a single word you say

Don't tell us when we should stop  
'Cause we can stop whenever we want
