

He loved me much and he brought me cherries,
but it better have blueberries.

(Im just honest)

So told him to go just to the end of the hall look for them, fo
r blueberries.

But now I know I was terribly wrong !

I had a friend who felt in love with me,
I needed him to teach me math.

(But I didnt love him)

So its still a shock that I love him.

(It was so crazy)

But now I know I was terribly wrong !!

(eins, zwei, drei, vier)

And lot of guys were amazingly staring at me,
but I didnt want anyone of them .

(They were so boring)

I would rather have a princ whos riding with the white horse an
d who love me,

but now I know I was terribly wrong !!!

He loved me much and He brought me roses

But it better have peonies

(I already said that)

And then he run away from me

(not good at all)

So now I know I was terribly wrong !!!!
