If I listened to my own wise words half the time,  
I wouldn't be so sad half the time.  
And if I ignored him half the time  
and closed my eyes and held my ears and went to bed half the ti  
me, I think I'd be all right.  
He said, she said, 'I think I'll be alright.'  
I said, 'Shut the door so the creeps will stay out tonight.'
