

Gone

Disembodied

I can't believe my eyes anymore
I turn around and you're not there
I don't believe my mind anymore
It tells me things I don't want to hear
Where have I gone
Crushing my sould
Crushing my heart
Where has it gone
Crushing my spirit
Crushing my hope
I can't survive this life anymore
Not one more day of this bullshit
You turn around and I'm not there
Not one more hour, not one more minute, not one more second
I'm gone
Sometimes i wish I could just go where no one knows me
Sometimes i wish I could just disappear
Sometimes I think no one would even care
Sometimes I think no one would even notice...
I'm gone
