

# Disfigured Catacombs

Disgorge

Scorn as withered

Desolate catacombs

Deprived of sanctuary

Cleansing of the afflicted

Constricted the disemboweled

Leathered dermis extracted

Intentional disfiguration

Residues conforming to beget

Subservient humans hung

Pulsating fluids circulate

Bloated slabs obscure

Skeletal regions of genocide

Impenetrable darkness

Carving into reality

Reclamation of souls

Conceiving a mortality

Periodic dismemberments

Carving infants

Periodic dismemberments

Arranged bone structures

Tower over fragmented soil

Cadavers begotten

Infant shun-and mangled

Executed drawn apart

Collectively entangled body cavities

Nomadic ritual ceremonial fragments

Grotesquely decomposed

Impenetrable darkness

Carving into reality

Reclamation of souls

Conceiving a mortality

Scorn and withered

Desolate catacombs

Deprived of sanctuary

Cleansing of the afflicted

Disfigured catacombs
