

She Lay Gutted

Disgorge

Mutilated entrails, rot as I disgorge
Ejaculate the mutilation, severed heads
Bleed on me as I eat the rotting corpse corpse corpse
Organ by a mangled body, as I regurgitate
I become infested...she lay gutted
Violent discharge, from the rectum
Carving pelvises from a woman
Ripping-vaginal skin, ripping-reproductive cords
Ripping-sodomize her
Mutilated entrails, rot as I disgorge
She lay gutted gutted, she lay gutted gutted
Organ by a mangled body, as I regurgitate
I become infested rotting rot as I disgorge
She lay gutted...
Violent discharge, from the rectum, carving
Pelvises from a woman
Ripping vaginal skin ripping vaginal skin
She lay gutted (5x)
