

# Where Can I Park My Horse

Disharmonic Orchestra

Feedback screams on a twisted riff  
I've got more than I could spare  
The perfumed dream of a midnight shift  
With my tongue hanging loose

Where can I park my horse?

Down under in my head  
I give a shit and sleep alone  
Too much talking ain't no good  
Where can I park my horse

Running down with my brain opened wide  
I push it hard 'till there ain't no more  
Take no advice that keeps me back  
The bang, bang, bang of funeral bells

Where can I park my horse?

Rebel, rebel I never go home  
I know what gets me wet  
Wave on wave of body heat  
Where can I park my horse?

Is it me or could it be you  
If it's not you it has to be me  
Gimme a dollar and you see what I do  
My name's John Wayne and I live on the sea
