

# It's Going To Take Some Time

Dishwalla

It's gonna take some time this time  
To get myself in shape  
I really fell out of line this time  
I really missed the gate

Birds on the telephone line  
Are crying out to me  
I won't be so blind next time  
And I'll find some harmony

But it's going to take some time this time  
And I can't make demands  
Like the young trees in the wintertime  
I'll learn how to bend

After all the tears we've spent  
How could we make amends  
So it's one more round for experience  
And I'm on the road again

And it's gonna take some time this time

It's going to take some time this time  
No matter what I've planned  
Like the young trees in the wintertime  
I'll learn how to bend

After all the tears we've spent  
How could we make amends  
So it's one more round for experience  
And i'm on the road again

And it's gonna take some time this time

yeah

It's gonna take some time yeah  
It's gonna take some time

I'll learn how to bend  
I'll learn how to bend  
I'll learn how to bend

It's gonna take some time  
It's gonna take some time  
yeah  
I'll learn how to bend  
yeah

It's gonna take some time  
It's gonna take some time
