

## Somewhere In The Middle

Dishwalla

I was out the other day  
and I saw you in your big black car  
and I was waving as you were passing  
cause I know who you are  
you had this look that of an angel  
it was such a bad disguise  
did you think for second I would not realize

tripping hard falling down onto the ground  
cause I can't stand up  
and I can't fall down  
cause I'm somewhere in the middle of this

I was out the other night  
and I saw you so we had a fight  
it was late and I was lonely  
and its such a long way home  
so I asked you if you'd join me  
for a single last call drink  
so you turned and bought us 2  
and you didn't even blink  
you had this look that of an angel  
it was such a bad disguise  
when you drink it makes you angry  
when I drink I want you more and more and more

tripping hard falling down onto the ground  
cause I can't stand up  
and I can't fall down  
and I'm somewhere in the middle of this

well I find it hard  
I always tried to find the sane life  
but I don't like the way things are  
and I keep falling to my knees  
somewhere in the middle of this
