

The Other Side Of The World

Dishwalla

Down amid the grass and flowers
As this ballet floats for hours
It's a messy ride in the countryside
On such a perfect day, yeah
We're moving fast on the other, the other side of the world

It's like a perfect day
Water flowing over from above to the overflow
Stand and take a dive into the backslide
Flowing bodies sliding into the deep
Slide into the other side of the world

Getting high, getting high
Summertime never felt so good
Gonna slide on its concrete face
Gonna slide till I rip my shorts again
Gonna slide to get to the other side of the world
