

## The Other Side Of The World

Dishwalla

Down amid the grass and flowers  
As this ballet floats for hours  
It's a messy ride in the countryside  
On such a perfect day, yeah  
We're moving fast on the other, the other side of the world

It's like a perfect day  
Water flowing over from above to the overflow  
Stand and take a dive into the backslide  
Flowing bodies sliding into the deep  
Slide into the other side of the world

Getting high, getting high  
Summertime never felt so good  
Gonna slide on its concrete face  
Gonna slide till I rip my shorts again  
Gonna slide to get to the other side of the world
