

Wardead

Dismember

Lieproducing, crime-saluting
Humiliating, segregating
Life-eating, gun-feeding
Hypocrisy, society
Warscene overcrowded
Loss of civil liberties
Life spilled like blood
Misanthropical atrocities
Warmachine is discipline
Furiously killing clean
The power addiction
A lethal infliction
Raped by bullets
Innocent dead
Evidence elimination
Strategy spread
Wardead through bloodshed
Face-up, forgotten corpses
Unburied
Wardead
