I Won't Say (i'm In Love)

If there's a prize for rotten judgment I guess I've already Won that No man is worth the aggravation That's ancient history--been there done that

Who'd ya think you're kiddin' He's the Earth and heaven to you Try to keep it hidden Honey, we can see right through you Girl, ya can't conceal it We know how ya feel and Who you're thinking of

No chance, no way I won't say it, no, no You swoon, you sigh, why deny it, uh-oh It's too cliche I won't say I'm in love

I thought my heart had learned it's lesson It feels so good when you start out My head is screaming get a grip, girl Unless you're dying to cry your heart out Oh

You keep on denying Who you are and how you're feeling Baby, were not buying Hon, we saw you hit the ceiling Face it like a grown-up When ya gonna own up That ya got, got, got it bad

No chance, no way, I won't say it, no, no Give up, give in Check the grin you're in love This scene won't play, I won't say I'm in love

You're doin' flips, read our lips: You're in love You're way off base, I won't say it Get off my case, I won't say it Girl, don't be proud It's ok you're in love Oh At least out loud, I won't say I'm in love
