

# Someday

Disney

Someday  
When we are wiser  
When the world's older  
When we have learned  
I pray  
Someday we may yet live  
To live  
And let live

Someday  
Life will be fairer  
Need will be rarer  
And greed will not pay  
Godspeed  
This bright millennium  
On it's way  
Let it come  
Someday

Someday  
Our fight will be won then  
We'll stand in the sun then  
That bright afternoon  
Till then  
On days when the sun is gone  
We'll hang on  
And we'll wish upon the moon

And someday dark and bitter  
Seems we haven't got a prayer  
But a prayer for something better  
Is the one thing we all share

Someday  
When we are wiser  
When the world's older  
When we have learned  
I pray  
Someday we may yet live  
To live  
And let live

Someday  
Life will be fairer  
Need will be rarer  
And greed will not pay  
Godspeed  
This bright millennium  
Let it come  
Wish upon the moon

One day, someday...

Soon

One day, someday...  
I used to believe

In the days I was naive  
That I'd live to see  
A day of justice dawn  
And though I will die  
Long before that morning comes  
I'll die while believing still  
It will come when I am gone

Someday  
When we are wiser  
When the world's older  
When we have learned  
I pray  
Someday we may yet live  
To live and let live

Someday  
Life will be fairer  
Need will be rarer  
Greed will not pay  
Godspeed  
This bright millennium  
On it's way  
Let it come someday

Someday  
When we are wiser  
When the world's older  
When we have learned  
I pray  
Someday we may yet live  
To live and let live

There are some days  
Black and bitter  
It seems we haven't got a prayer

But a prayer for something better

Is the one thing we all share

We all share  
We all share

We all share...  
Someday  
Our fight will be one then  
We'll stand in the sun then  
That bright afternoon  
Till then  
On days when the sun is gone  
Hope lives on  
Wish upon the moon  
Change will come  
One day...  
Someday...  
Soon
