

# True To Your Heart

Disney

Baby, I knew at once that you were meant for me  
Deep in my soul, I know that I'm your destiny  
Though you're unsure  
Why fight the tide  
Don't think so much  
Let your heart decide

Baby, I see your future, and it's tied to mine  
I look in your eyes and see you searching for a sign  
But you'll never fall  
Till you let go  
Don't be so scared  
Of what you don't know

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And, baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me

Someone ya know is on your side, can set you free  
I can do that for you if you believe in me  
Why second guess what feels so right?  
Just trust your heart  
And you'll see the light!

True to your heart

Girl, my heart is driving me to where you are  
You can take both hands off the wheel and still get far  
Be swept away  
Enjoy the ride  
You won't get lost  
With your heart to guide you

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And, baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me

Open your heart  
You must be true to your heart  
That's when the heavens will part  
And, baby, shower you with my love  
Open your eyes  
Your heart will tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
True to your heart

When things are gettin' crazy  
And you don't know where to start  
Keep on believin', baby  
Just be true to your heart  
When all the world around you  
It seems to fall apart  
Keep on believin', baby  
Just be true to your heart  
True to your heart
