

You'll Be In My Heart

Disney

Come stop your crying, it will be alright
Just take my hand, hold it tight
I will protect you from all around you
I will be here don't you cry

For one so small you seem so strong
My arms will hold you keep you safe and warm
This bond between us can not be broken
I will be here don't you cry

And you'll be in my heart
Yes you'll be in my heart
From this day on
Now and forever more
You'll be in my heart
No matter what they say
You'll be here in my heart
Always

Why can't they understand the way we feel
They just don't trust
What they can't explain
I know were different but deep inside us
Were not that different at all

And you'll be in my heart
Yes you'll be in my heart
From this day on
Now and forever more
You'll be in my heart
No matter What they say
You'll be here in my heart
Always

Don't listen to them cuz what do they know
We need each other to have to hold
They'll see in time I know

When destiny calls you, You've got to be strong
I may not be with you so you got to hold on
They'll see in time, I know

We'll show them together cuz

You'll be in my heart
Believe me, You'll be in my heart
I'll be there from this day on
Now and forever more

You'll be in my heart
No matter what they say
You'll be here in my heart always

Always.....
I'll be there for you
I'll be there for you always
Always and always

Just look over your shoulder
Just look over your shoulder
Just look over your shoulder
I'll be there always
