

# Hey, Hey

Dispatch

Well I'm moving kind of slow  
Down that same old path  
Wasting time inside this hour glass  
She's coming up ahead now  
And I feel, yes I feel  
My head turning like a race car wheel  
Maybe I'll try to say hi another time  
I've gotta find a way to get inside your mind  
I'll talk smoothe and walk one step closer  
Be real cool, dang real cool

say what you want, say what you mean  
question yoursel, are you really what you seem?  
say what you want, say what you mean  
question yoursel, are you really what you dream?

now here I come one more time  
but she slides on by  
not even a second look  
she took the bait right off that hook  
I've got my blinders on tight  
I pull my cap a little lower  
I can't hide away

you might think that this is easy for me  
but there's a lot of things you don't know  
you don't care, you don't want to see  
long while since I've got myself across  
but maybe there's a reason for that  
even if I caught you I'd throw you back.

hey... hey...

I really don't wan to fall back  
because you don't seem like you care  
and if I would fall back  
you don't seem like you care  
and if I would fall back  
you don't seem like you care

fall down your back, fall down your back  
fall down your back, fall down your back

I will not, I will not hold, hold you back  
you don't seem like you care

Fall back... you don't  
Fall back... you don't  
Fall back... you don't
