## Satanized

Dissection

Searching the meaning of life Pages of satanity unfolds This is a nice hell, paradise Open up for Satan, and bleed

Fallen angels, come for me My body is dying, I'm no longer me Satanized

Come forth and open the gate As we are burning the symbol of Christ And forever we'll be satanized Demons now come for me My body is dying, I'm no longer me

Behold my power, and die ! Legions of hate will conquer All will follow my spell I lead people from Christ

Satanized I was born Satanized I will be
