

Starless Aeon

Dissection

The seventh aeon will soon pass
as it has been foretold
The false empires will crumble
and all illusions shall be destroyed
The enslavers tremble with fear
Soon our stars align
The forbidden gates begin to open
by the power of our forceful sign

Daath - Wisdom of the abyss
is the key to the broken star
Eleven angles pathways of Chaos
will bring forth our most Wrathful God
Kliffotic forces from beyond
will usurp the tree of cosmic lies
The sleeping dragon awakens
smelling the elixir of our sacrifice

Dies Irae, Dies Illa, Solvet Cosmos In Favilla!

This is the winter of the last aeon
The hungry end is coming soon
Harbinger of the day of wrath
will eclipse the sun and rape the moon

Unfold the Starless Aeon
The hungry end is Coming Soon
Harbinger of the day of wrath
will eclipse the sun and rape the moon

The snake will completely devour itself
putting an end to the cycle of time
Acausal flames will burn all to ashes
Erasing all signs of the Demiurge's crime
Our dark gods of Chaos will return
This time to rule forever supreme
The Dragon Mother will then resurrect
and end this cosmic dream
