

## Blackheart

## The Distillers

The one time  
You lied  
You were high, so high  
My life in my time  
You walk black lines

Hey clean your mess  
Hey you're a mess

The one time  
I lied all the time  
My life and in my time  
You walk black lines

Hey don't I need this  
Hey don't I need this

Fuck
