

# Dismantle Me

The Distillers

I fancy you but I've been destined to,  
and all i know dissolved,  
I could never reundo you,

I will always say it's so,  
I will always speak the truth,  
Descend into a noose  
I could never re-undo you,

I want to bury you  
I want to bury you

Vultures circle around,  
Feathers float,  
Wings flap,  
Beaks pound.

And though my heart's exposed,  
I could never reundo you,  
I will always bleed the truth,  
I will always speak and know,  
I was sent to cut you loose,  
I will never reundo you,

I want to bury you,  
I want to bury you,  
I want to bury you,  
I want to bury you,

Dismantle me,  
Dismantle me,  
Dismantle me,  
Dismantle me,

Unless it's warm and humid on swanston street,  
And the air is filled with electricity,  
And the sky is deeper than the dream,  
And the sky is deeper than the!!,

Dismantle me (I want to bury you),  
Dismantle me (I want to bury you),  
Dismantle me (I want to bury you),  
Dismantle me (I want to bury you),

And the sky is deeper than the dream,  
And the sky is deeper than the dream.
