

# Hate Me

The Distillers

I cant be this now  
Its not me anymore  
I really tried Ive tried  
Attempted suicide  
Fucking convulsing and  
Constantly denied  
Subcountaing me somewhere  
Inside

Scratching the walls of my glass coffin  
Scraping raping  
My nails on the glass on the bottom  
Is there an end where does this end  
If i was you id fucking hate me too
