

# Another Way to Die

Disturbed

The indulgence of our lives  
Has cast a shadow on the world  
Our devotion to our appetite  
Betrayed us all

An apocalyptic plight  
More destruction will unfold  
Mother Earth will show her darker side  
And take her toll

It's just another way to die

There can be no other reason why  
You know we should have seen it coming  
Consequences, we cannot deny  
Will be revealed in time

Glaciers melt as we pollute the sky  
A sign of devastation coming  
We don't need another way to die  
Can we repent in time?

The time bomb is ticking  
And no one listening  
Our future is fading  
Is there any hope we'll survive?

Still, we ravage the world that we love  
And the millions cry out to be saved  
Our endless maniacal appetite  
Left us with another way to die

It's just another way to die  
Ooh, can we repent time?

Greed and hunger led to our demise  
A path I can't believe we followed  
Black agendas rooted in a lie  
Will we repent in time?

Species fall before our very eyes  
A world they cannot survive in  
Left them with another way to die  
Are we dead inside?

The time bomb is ticking  
And no listening  
Our future is fading  
Is there any hope we'll survive?

Still, we ravage the world we love  
And the millions cry out to be saved  
Our endless maniacal appetite  
Left us with another way to die

It's just another way to die

Still, we ravage the world we love  
And the millions cry out to be saved  
(Millions cry out)  
Our endless maniacal appetite  
Left us with another way to die

It's just another way to die  
Ooh, can we repent time?  
It's just another way to die  
Ooh, can we repent time?
