Another Way to Die

Disturbed

The indulgence of our lives Has cast a shadow on the world Our devotion to our appetite Betrayed us all

An apocalyptic plight
More destruction will unfold
Mother Earth will show her darker side
And take her toll

It's just another way to die

There can be no other reason why You know we should have seen it coming Consequences, we cannot deny Will be revealed in time

Glaciers melt as we pollute the sky A sign of devastation coming We don't need another way to die Can we repent in time?

The time bomb is ticking
And no one listening
Our future is fading
Is there any hope we'll survive?

Still, we ravage the world that we love And the millions cry out to be saved Our endless maniacal appetite Left us with another way to die

It's just another way to die
Ooh, can we repent time?

Greed and hunger led to our demise A path I can't believe we followed Black agendas rooted in a lie Will we repent in time?

Species fall before our very eyes A world they cannot survive in Left them with another way to die Are we dead inside?

The time bomb is ticking
And no listening
Our future is fading
Is there any hope we'll survive?

Still, we ravage the world we love And the millions cry out to be saved Our endless maniacal appetite Left us with another way to die

It's just another way to die

Still, we ravage the world we love And the millions cry out to be saved (Millions cry out) Our endless maniacal appetite Left us with another way to die

It's just another way to die Ooh, can we repent time?
It's just another way to die Ooh, can we repent time?
