

Empty

Disturbed

I look outside and see that everything is perfect
Except for me I'll always be the one who sits and stares
And now and then you're just my friend someone I could talk to
And it's killing me, it's just killing me
And I, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
And it's killing me
I look outside and realize how much I'm different
You'll never see inside of me, inside just who I am
And now and then you're just my friend,
Someone I could talk to
And it's killing me, it's just killing me
And I, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
And it's killing me
I'm outside and looking in
I look into your eyes and see that you are perfect
Except for me, except for me
And I, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
I feel so
I feel so
I, I feel so empty inside
I feel so empty inside
I feel so empty inside
I feel so empty inside
