

## Empty

Disturbed

I look outside and see that everything is perfect  
Except for me I'll always be the one who sits and stares  
And now and then you're just my friend someone I could talk to  
And it's killing me, it's just killing me  
And I, I feel so empty inside  
'Cause I'm a freak in your eyes  
I feel so empty inside  
And it's killing me  
I look outside and realize how much I'm different  
You'll never see inside of me, inside just who I am  
And now and then you're just my friend,  
Someone I could talk to  
And it's killing me, it's just killing me  
And I, I feel so empty inside  
'Cause I'm a freak in your eyes  
I feel so empty inside  
And it's killing me  
I'm outside and looking in  
I look into your eyes and see that you are perfect  
Except for me, except for me  
And I, I feel so empty inside  
'Cause I'm a freak in your eyes  
I feel so empty inside  
I feel so  
I feel so  
I, I feel so empty inside  
I feel so empty inside  
I feel so empty inside  
I feel so empty inside
