Fade to Black

Disturbed

Life, it seems, will fade away Drifting further, every day Getting lost within myself Nothing matters, no one else I have lost the will to live Simply nothing more to give There is nothing more for me Need the end to set me free

Things not what they used to be Missing one inside of me Deathly loss, this can't be real I cannot stand this hell I feel Emptiness is filling me To the point of agony Growing darkness, taking dawn I was me, but now he's gone

No one but me
Can save myself
But it's too late
Now I can't think
Think why I should even try

Yesterday seems as though
It never existed
Death greets me warm
Now I will just say goodbye
Bye...
