

Forfeit

Disturbed

We'll not be shaken
And jump into this in
Be persuasive
And just carry on
Make my mind up
To cut through this
Be firm and sit, in silence
I want to fight
I want to prove i'm right
I want to fight
So turn and forfeit
Forfeit
Learn from this
Prehistoric text and
Refrain from talking
Solves our problems
Medicated could do some good
Find a way to relate
Or just shut up
So step up
and forfeit
