I Still Haven't Found What I'm Looking For

Disturbed

I have climbed highest mountains I have run through the fields Only to be with you Only to be with you I have run, I have crawled I have scaled these city walls These city walls, only to be with you

But I still haven't found what I'm looking for No, I still haven't found what I'm looking for

I have kissed honey lips, felt the healing in her fingertips It burned like a fire, this burning desire I have spoke with the tongue of angels I have held the hand of a devil, it was warm in the night I was cold as a stone

But I still haven't found what I'm looking for No, I still haven't found what I'm looking for

I believe in the kingdom come And all the colors will bleed into one Bleed into one, but yes, I'm still running You broke the bonds and you loosed the chains Carried the cross of my shame, my shame You know I believe that

But I still haven't found what I'm looking for No, I still haven't found what I'm looking for
