

# Indestructible

## Disturbed

Another mission, the powers have called me away  
Another time to carry the colors again  
My motivation, an oath I've sworn to defend  
To win the honor of coming back home again

No explanation will matter after we begin  
Unlock the dark destroyer that's buried within  
My true vocation and now my unfortunate friend  
You will discover a war you're unable to win

I'll have you know  
That I've become

Indestructible  
Determination that is incorruptible  
From the other side, the terror to behold  
Annihilation will be unavoidable

Every broken enemy will know  
that their opponent had to be invincible  
Take a last look around while you're alive  
I'm an indestructible master of war!

Another reason, another cause for me to fight  
Another fuse uncovered now for me to light  
My dedication to all that I've sworn to protect  
I carry out my orders without a regret

My declaration embedded deep under my skin  
A permanent remainder of how it began  
No hesitation when I am commanded to strike  
You need to know that you're in for the fight of your life

You will be shown  
How I've become

Indestructible  
Determination that is incorruptible  
From the other side, the terror to behold  
Annihilation will be unavoidable

Every broken enemy will know  
that their opponent had to be invincible  
Take a last look around while you're alive  
I'm an indestructible master of war!

I'm indestructible  
Determination that is incorruptible  
From the other side, the terror to behold  
Annihilation will be unavoidable

Every broken enemy will know  
that their opponent had to be invincible  
Take a last look around while you're alive  
I'm indestructible
