Indestructible

Disturbed

Another mission, the powers have called me away Another time to carry the colors again My motivation, an oath I've sworn to defend To win the honor of coming back home again

No explanation will matter after we begin Unlock the dark destroyer that's buried within My true vocation and now my unfortunate friend You will discover a war you're unable to win

I'll have you know That I've become

Indestructible Determination that is incorruptible From the other side, the terror to behold Annihilation will be unavoidable

Every broken enemy will know that their opponent had to be invincible Take a last look around while you're alive I'm an indestructible master of war!

Another reason, another cause for me to fight Another fuse uncovered now for me to light My dedication to all that I've sworn to protect I carry out my orders without a regret

My declaration embedded deep under my skin A permanent remainder of how it began No hesitation when I am commanded to strike You need to know that you're in for the fight of your life

You will be shown How I've become

Indestructible Determination that is incorruptible From the other side, the terror to behold Annihilation will be unavoidable

Every broken enemy will know that their opponent had to be invincible Take a last look around while you're alive I'm an indestructible master of war!

I'm indestructible Determination that is incorruptible From the other side, the terror to behold Annihilation will be unavoidable

Every broken enemy will know that their opponent had to be invincible Take a last look around while you're alive I'm indestructible
