

# Land of Confusion

Disturbed

I must have dreamed a thousand dreams  
Been haunted by a million screams  
But I can hear the marching feet  
They're moving into the street

Now, did you read the news today?  
They say the danger has gone away  
But I can see the fire's still alight  
They're burning into the night

There's too many men, too many people  
Making too many problems  
And there's not much love to go around  
Can't you see this is a land of confusion?

This is the world we live in  
And these are the hands we're given  
Use them and let's start trying  
To make it a place worth living in

Oh, superman, where are you now?  
When everything's gone wrong somehow?  
The men of steel, these men of power  
Are losing control by the hour

This is the time, this is the place  
So we look for the future  
But there's not much love to go around  
Tell me why this is a land of confusion

This is the world we live in  
And these are the hands we're given  
Use them and let's start trying  
To make it a place worth living in

I remember long ago  
When the sun was shining  
And all the stars were bright all through the night  
In the wake of this madness, as I held you tight  
So long ago

I won't be coming home tonight  
My generation will put it right  
We're not just making promises  
That we know we'll never keep

There's too many men, too many people  
Making too many problems  
And there's not much love to go round  
Can't you see this is a land of confusion?

Now, this is the world we live in  
And these are the hands we're given  
Use them and let's start trying  
To make it a place worth fighting for

This is the world we live in

And these are the names we're given  
Stand up and let's start showing  
Just where our lives are going to
