

# Liberate

## Disturbed

Bold motherfucker  
Don't you limit your mind

Liberate your mind  
You motherfucker, you're so narrow minded  
So narrow minded  
So, liberate your mind  
You motherfucker, will you liberate your mind

Liberate your mind  
You motherfucker, you're so narrow minded  
So narrow minded  
So, liberate your mind  
You motherfucker, will you liberate your mind this time

Bold motherfucker don't you limit your mind  
Can't you see that the pace has just fallen behind  
All the hate in your heart will be leaving you blind  
So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind  
Can't you see that the pace has just fallen behind  
All the hate in your heart will be leaving you blind  
So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah  
To take away all the hatred  
That darkens the light in your eye  
Still awaiting I

Liberate your mind  
You motherfucker, you're so narrow minded  
So narrow minded  
So, liberate your mind  
You motherfucker, will you liberate your mind?

Liberate your mind  
You motherfucker, you're so narrow minded  
So narrow minded  
So, liberate your mind  
You motherfucker, will you liberate your mind this time?

Bold motherfucker don't you limit your mind  
Can't you see that the pace has just fallen behind  
All the hate in your heart will be leaving you blind  
So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind  
Can't you see that the pace has just fallen behind  
All the hate in your heart will be leaving you blind  
So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah  
To take away all the hatred  
That darkens the light in your eye  
Still awaiting I

{Out of Zion shall come forth the law  
And the word of the Lord from Jerusalem  
Nation shall not raise sword against the nation  
And they shall not learn war anymore  
For the mouth of the Lord hath spoken}

Waiting for your modern Messiah  
To take away all the hatred  
That darkens the light in your eye

How long will we be waiting for your modern Messiah  
To take away all the hatred  
That darkens the light in your eye  
Still awaiting I, still awaiting I
